

NEW YEAR 2010

All of us at **CITY SERVICE** hope you enjoyed a very Merry Christmas and sincerely wish you all the best for the New Year 2010 ahead of us!!

We wish to lure you to ARGENTINA with an array of exciting programs for your Incentive groups...

IMPORTANT! As from 28 Dec 2009, when entering Argentina, visitors from the following countries must pay a "**Reciprocity Fee**" which is NOT a Visa, in US Dollars or the equivalent in Argentine Pesos, credit cards or Traveller's checks: Australia USD 100; Canada USD 70 (single entry); USA USD 131. The Argentine Government set this entry fee on equal amounts as those Argentine citizens must pay when requesting a Visa to travel to those countries.

Sensual Tango in Buenos Aires: A surprise group Tango lesson with a Tango partner for each guest. Guests will arrive in vintage cars, welcomed at the venue with champagne where a host will introduce them to the world of Tango! This year the sensual Tango was declared World Cultural Heritage by the UNESCO.

Go Green at Iguazu Falls, acting as a patron to a tree, contribute to protect the Giants of the Jungle. You will be amazed not only by the beauty of the Iguazu Falls but also by the enormous amount of water running like a tap! 270 falls on the Argentine side will give you the opportunity to get closer to the environment and contribute to a very important cause.

Leather Fitting at your Hotel! Since Buenos Aires was appointed "City of Design" by the UNESCO in 2005, we think it is a good option to benefit our guests with a personalized leather fitting and tea party at their hotel, thus allowing for tailor made items at a very special price.

"Pretty Woman" Polo Day! Argentina is THE place to see and enjoy this sport, offering the best polo ponies and players in the world. Treat your group to the experience of being part of this elite world... tents by the polo field, champagne and wines, and polo players on the field all combined to enhance the day.

Trendy Buenos Aires Afterhours... For anyone wanting to get the "feel" of the city after hours, there is a wide variety of trendy choices of bars and pubs. Local hidden nooks off the tourist track for pre-dinner drinks, offer a pleasant way to catch up with the local culture.
